G. H. KRUMBIEGEL,
Economic Botanist,
Superintendent, Government Gardens.

CENSUS DEPARTMENT.

Notice.

Applicants for employment in the Census office are hereby informed that their applications will be considered only when the Abstraction Office is formed which will be towards the middle of March 1911.

2. Applications received in the meanwhile will, however, be registered for consideration and orders thereon passed and communicated to the applicants when the appointments are settled in March 1911.

3. The applications should be in the form prescribed and published by Government on page 278, Part I of the *Mysore Gazette* dated 9th June 1910 ; and in the case of those already in the service of Government, the applications should be submitted through their official superiors.

V. R. THYAGARAJA IYER,
Census Superintendent in Mysore.

PUBLIC ADVERTISEMENTS.

MYSORE CITY.

Notice.

The public are hereby informed that a steam jacket and a boiler belonging to the City Plague Department, Mysore, will be sold by public auction on 5th August 1910.

They will be knocked down to the highest bidder, who will have to pay the full amount of sale on the spot, and take delivery of the property.

In case he fails to do so, they will be resold and the deficit, if any, will be recovered from him ; but he will not be entitled to any excess amount realized by such resale.

V. L. MANKER,
Vice-President in Sanitary Matters.
